

THE CLEMENTS TRIBE

Monday

Pray we will know that God is for us and good always--He never withholds any good thing from us. Pray we know that truth and are reminded daily.

Pray the birthmother is healthy and takes care of herself to the best of her ability. Pray she seeks prenatal care in some form and the baby & birthmom are healthy throughout pregnancy.

Tuesday

Wednesday

Pray for the birthmother/father. Pray they know God and He is their comfort. Pray for the baby as our little one becomes an orphan. Pray for God to take care of our baby.

Pray our child will have a deep sense of joy and will be resilient in the different stages of infancy. Pray our baby will know us as parents quickly, bonding in a supernatural way to us. Pray for our baby's growth, health, & resiliency.

Thursday

Friday

Pray the Lord will increase our faith through the beauty of many giving financially & as others pray and fight alongside of us for our child to come home. Pray we prepare well to parent.

Pray that we will see our child soon. Pray our baby is taken care of in the orphanage. Pray that the paperwork is seamless and quickly processed. Pray for us as we wait...ask God to reveal to us over and over that He knows who our baby is & Baby C was chosen for our family before we were even born!

Saturday

Sunday

Pray our child will know and follow the Lord. Pray for salvation. Pray for our child's adoption story to be a beautiful picture of adoption into God's family, as well.
